

CHID EXAMINATION REFERENCES

Although the list of books and articles may include more than one reference that covers a content area, one such reference may be enough. You may also have resources available that are not on the list but will adequately cover the content area. Some test questions can also pertain to more than one content area.

1. *Americans with Disabilities Act Handbook, Standards for Accessible Design*, 2010 Edition, Federal Access Board
2. *Building Type Basics for Healthcare Facilities*, Stephen A. Klimet, Series Founder and Editor. (2000)
