

Distinguish Yourself.

Become CHID Certified. Now it's easier than ever.

We've simplified the application and exam process:

- **More Accessibility. More Flexibility.**

Coordinate the exam with your schedule – you can even take the exam in the comfort of your own home.

- **Two fall exam windows.**

October 1 through October 31. You pick the location.

November 4 on-site at HCD in New Orleans. This inaugural offering provides added convenience for HCD attendees.

- **No more portfolio requirement or letters of reference.**

Just secure the endorsement of a CHID Certified Healthcare Interior Designer®.

- **New supplemental study tool.**

Developed by CHIDs, the AAHID e-learning series consists of 3 modules covering content areas on the exam: Acute Care, Ambulatory Care, and Residential Healthcare Facilities. Note: These modules are not a requirement to sit for the exam and do not guarantee a passing grade on the CHID exam. The content may help enhance your current knowledge and identify areas where deficiencies may exist.

AAHID is celebrating our 15th anniversary with a **50% discount** for all 2019 Fall CHID Exam Applicants!

Application Fee: \$200

This discounted rate is available only for Fall 2019 Exam. Regular rate: \$400.

Application Deadline: July 15
