CHID Connect Forum Terms & Conditions and Tips for Posting

What is Appropriate to Post?

The types of messages that are acceptable to post on the CHID Connect Forum include general questions, sample job descriptions, AAHID sponsored activities, sharing of resources, and requests for information assistance, best practices, and policies.

What Should I Not Post?

The CHID Connect Forum should not be used for job searches or to post open positions, newsletter distribution, surveys, press releases, non-AAHID product promotions, or meeting announcements. If you are interested in posting a position opening, please contact the AAHID office at info@aahid.org. If you have a survey that you would like to send to the certificants, please contact Kelly Podkova at kpodkova@aahid.org to submit it to the Research Committee for review. Items may be removed without notification. AAHID further reserves the right to remove any materials deemed not in the best interests of AAHID.

Usage Guidelines

Please keep in mind the following guidelines when using the CHID Connect Forum:

- Be courteous and respectful of others.
- Submissions should be crafted with appropriate language. Be informative, polite, and professional.
- The CHID Connect Forum should not be used for commercial purposes or to advance the business or financial interests of any person or entity not affiliated with AAHID. Communications that advertise events, products, or services or that directly solicit CHIDs to purchase products or services are prohibited.
- AAHID accepts no responsibility for the content of the postings on the forums. The content of all postings is solely the responsibility of the authors.
- Practice caution when replying to the discussion. All responses will be visible to all CHIDs.
- Please participate! Your ideas are important. Just because you think everyone knows something doesn't mean they do.
- Please contact AAHID at info@aahid.org with any questions or to change which communities to which you belong.

We hope you enjoy this networking opportunity and find it a worthwhile benefit of being a CHID.
